ECHO 70

Enfield High School

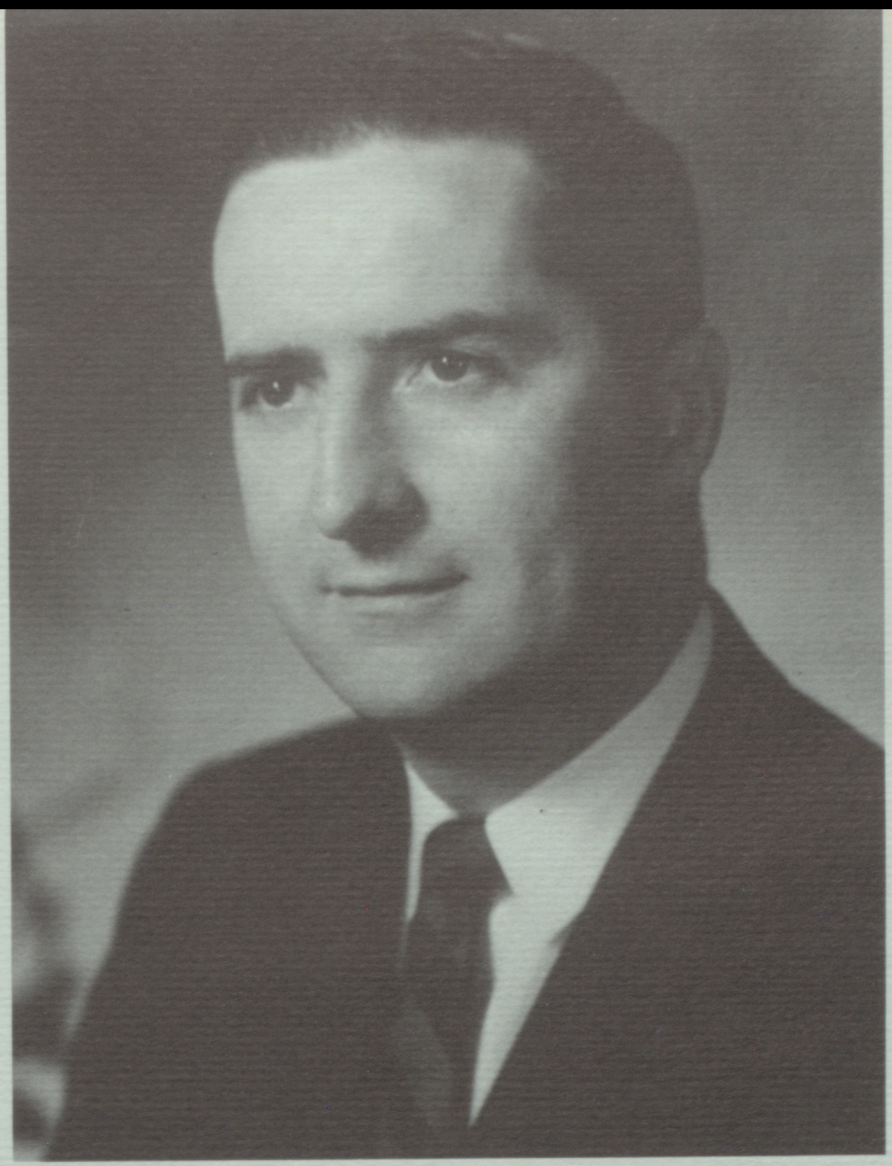
Enfield, Connecticut

Shirley Knox

The turning of our high school years has afforded us varied experiences: a time for excitement, a time for routine; a time for contemplation, a time for action; a time to listen, a time to speak; a time of frustration, a time of resolution; a time to wait, a time to grow; a time to stay, a time to go.

It is our turn to go. Let us ponder the memories and cherish the friendships — and face the future with a purpose.

Preface



Dedication

"A time to plant, a time to reap;"

Mr. Joseph Cabrera planted in Enfield High School a dedication and a courage. As principal, he was sincerely concerned with his responsibility to both students and parents. As a man, he showed a strength that few of us are called upon to show.

It is in the hope that we may reap the fullness of his dedication and courage that we, the Class of 1970, dedicate our yearbook to him.

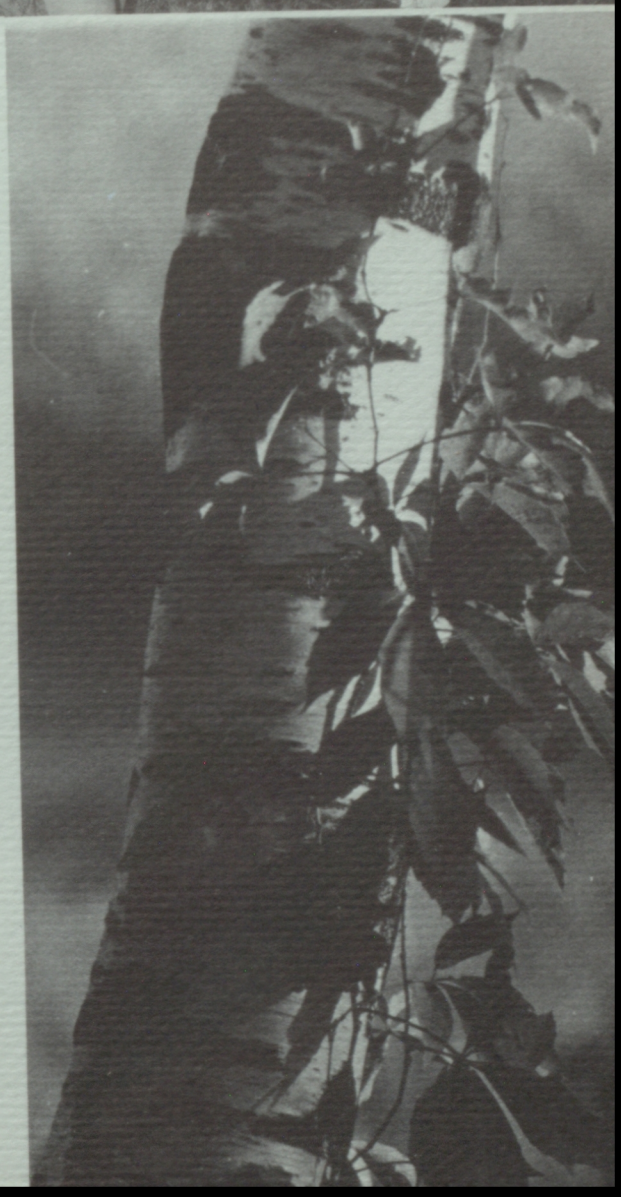
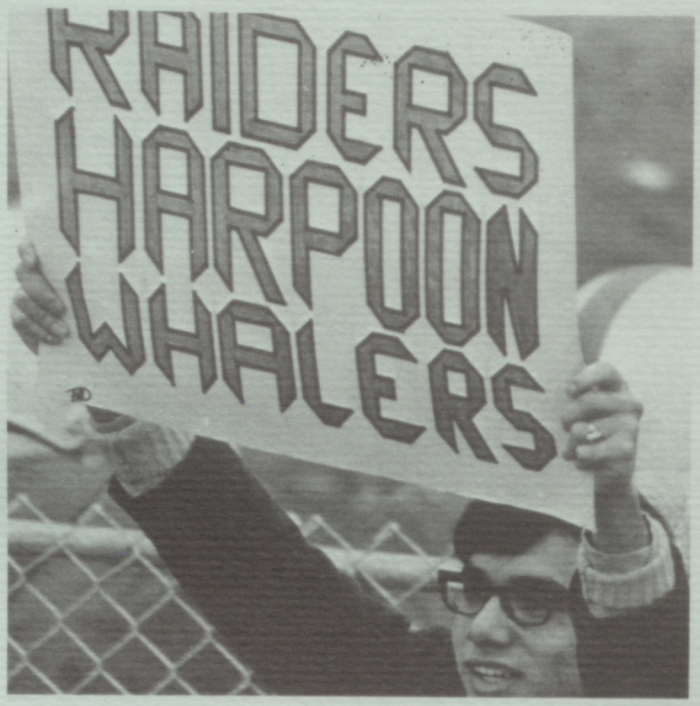
To everything there is a season

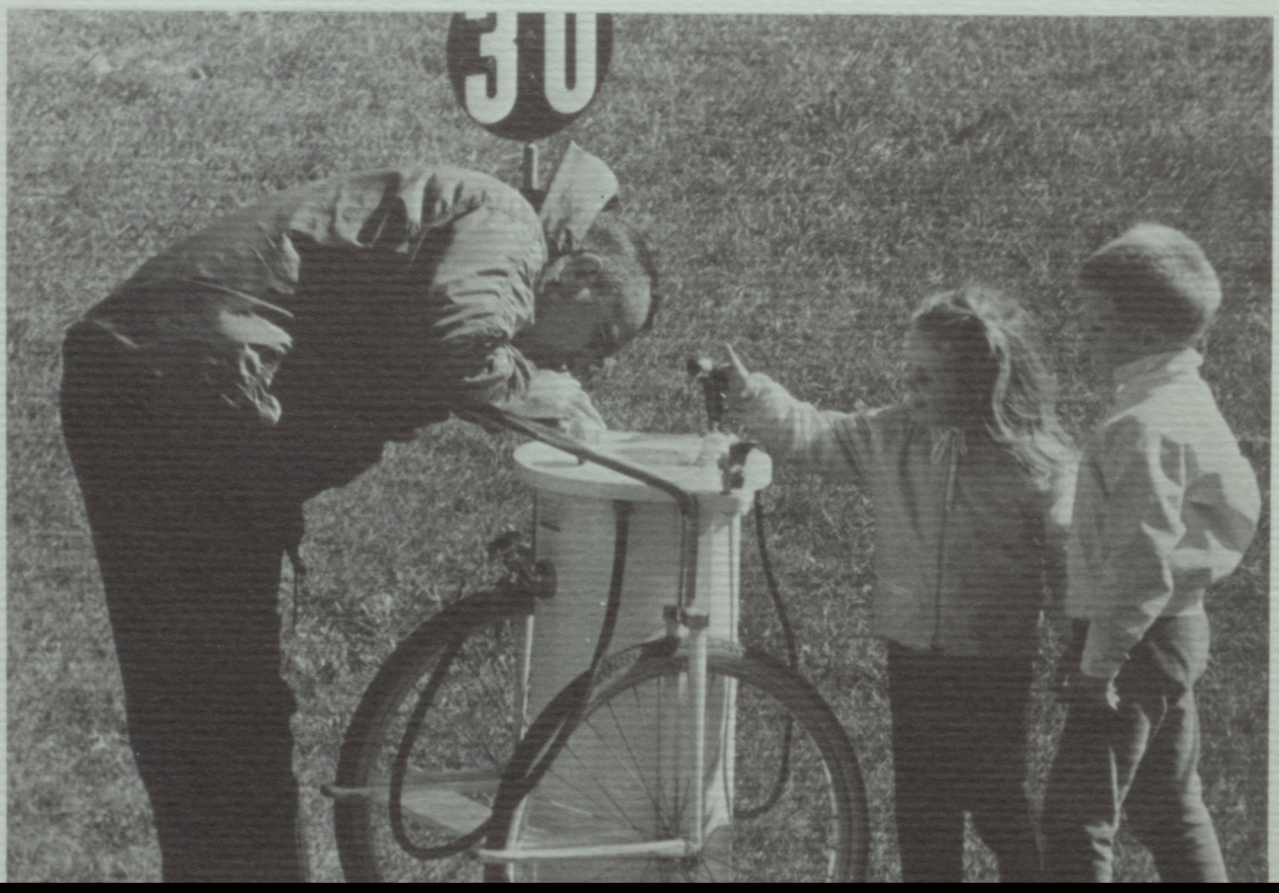


And a time

to every purpose

under heaven:





A time to be born,

A time to die;

A time to plant,

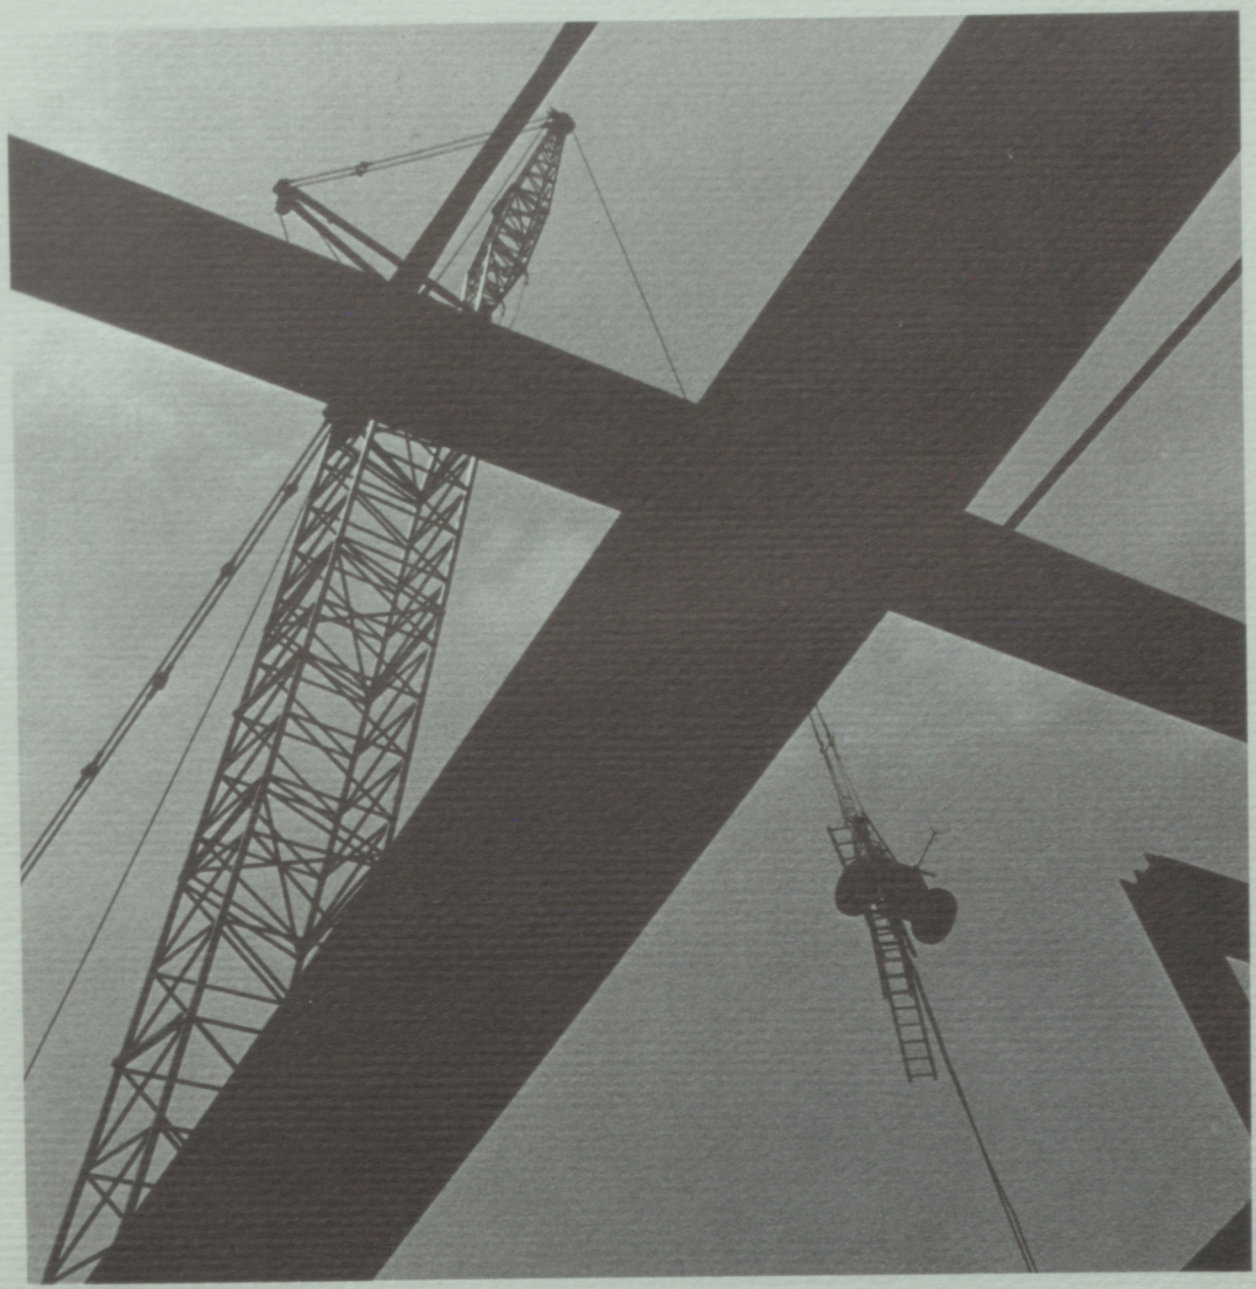
A time to reap;

A time to laugh,

A time to weep;

A time to build up,

A time to break down;



A time

to dance,

A time

to mourn;

A time to cast

away stones,

A time to gather

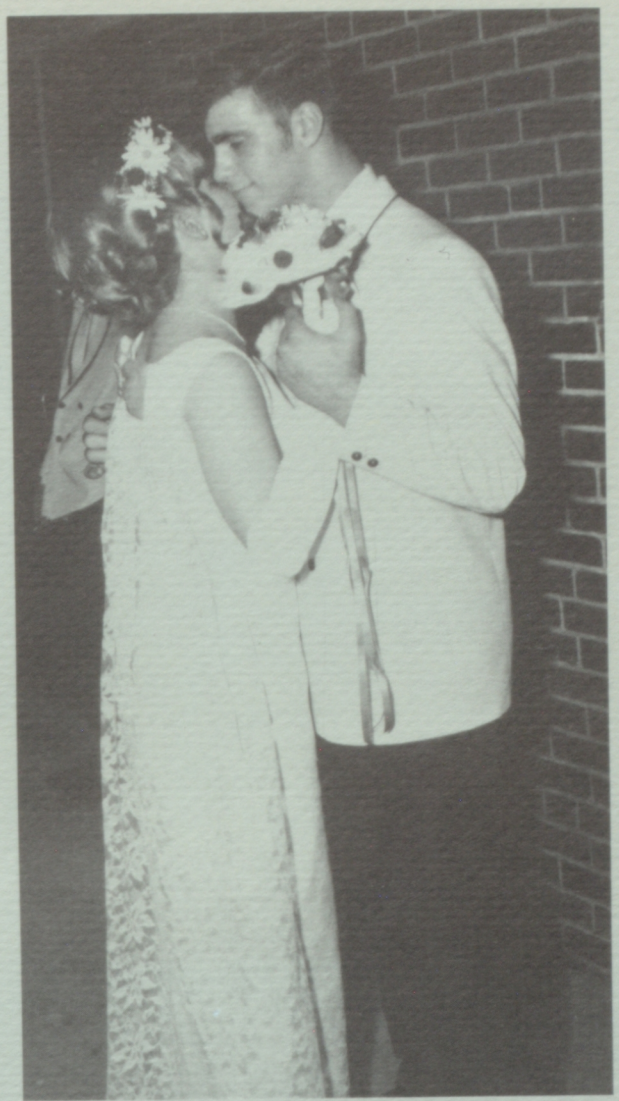
stones together;

A time of love,

A time of peace;

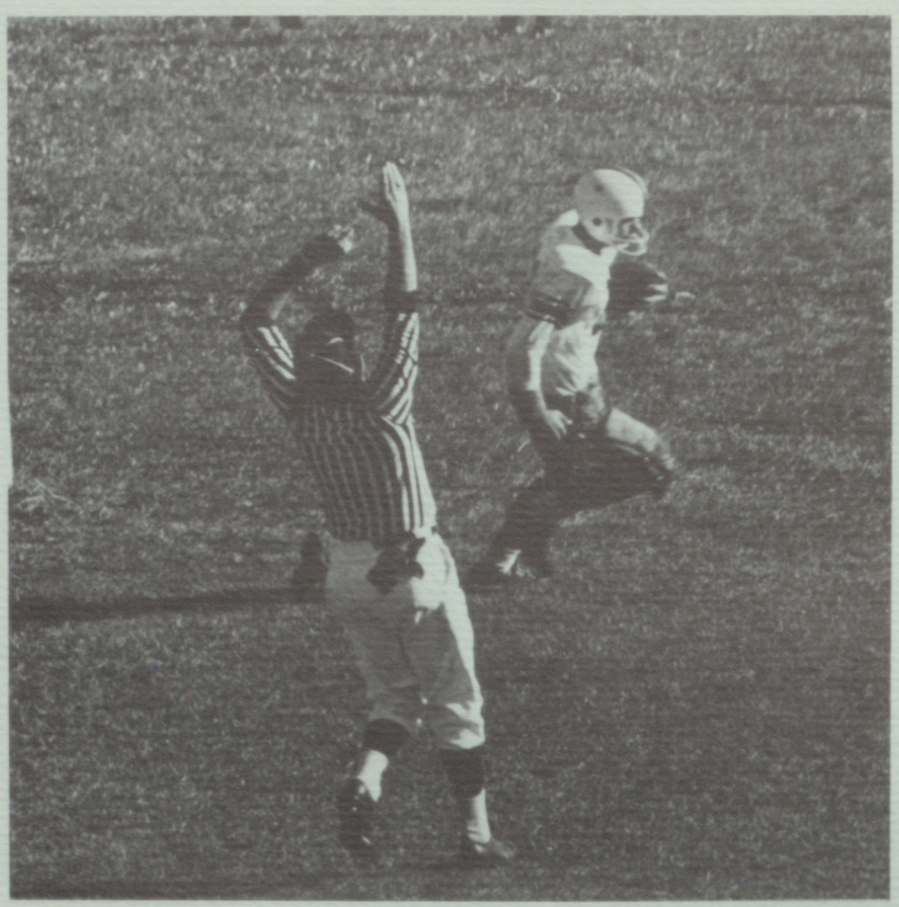
A time you may

embrace,



A time to refrain

from embracing;



A time

to gain,

A time

to lose;

A time to rend,

A time to sew;

A time for peace –

I swear it's not too late.

PRESIDENT'S MESSAGE

As we entered Enfield High School, it was our turn to become a class. Our turn to show this school what we had to offer in spirit, enthusiasm, and purpose. We have done it!

Now as we leave Enfield High, we turn to reflect upon the moments we enjoyed most during the past four years. Even as we do this, we must turn and look to the future as a time to mature. Upon a firm and secure foundation built at Enfield High School, we have prepared ourselves for what lies ahead.

We know not what the future holds for us, but we do know that we hold the future.

Kirk Smallidge

Library

Our high school library, under the auspices of Mrs. Marie McGarry, has been an asset to all students. Stocked with diversified books and audio-visual aides, the library provides an ideal spot for independent study. The librarian, as well as the library aides, helps students to do research and to be more aware of materials and sources of knowledge that the library offers.

Guidance Department

During the previous three years, the Guidance Department has shown considerable growth not only in terms of staff size, but also in the kinds of services offered to the students, faculty, and parents. This year Mrs. Rae Tober joined the guidance staff and assumed responsibilities as sophomore counselor. Mrs. Tober also assisted Mr. Benoit at the high school annex.

In addition to increasing the counseling staff, 1969-1970 year saw the initiation of several new programs. With cooperation of the Industrial Education Department, a mobile occupational cart was constructed on which was placed all available career information. The cart was designed to allow teachers and students to use this information in the classroom. Programs in using occupational information were developed for students and faculty use.

Also a forum series entitled "Parents Want to Know" was held in the fall and spring for parents interested in obtaining information and discussing such subjects as college admissions, financial aid, and the high school program of studies. The services of the guidance department are available to all students, having need for educational, vocational, or personal information or assistance.

Football Team

The 1969 Raiders were one of great spirit, desire, and hustle. In the season's opener, the Raiders were pitted against pre-season favorite, Norwich. Like a typical Enfield team, they rose to the challenge and solidly thumped the Norwich Wildcats by a score of 32-13. The next game found the Raiders at the home of the East Hartford Hornets. Behind the solid blocking of Bob Bray and Dave Maynard, quarterback Tom Fenton was able to complete several passes to end Rick Dressler. Their defense was unpenetrable as Jeff Hayden, Dan Kelley, and Jim Mullen kept the Hornets from scoring. The final score was 30-0. The third game was perhaps the best display of determination of any game this season. It was the Green and White's first home game and over 2500 people came down to watch the Raiders come from behind to swamp the Fitch Falcons, 54-20. After a quick score on a good catch and dazzling run by end Tom Grondski, the Falcons scored the next two times they had the ball. But, the Raiders came back strong. Halfback Jim McClintock was sprung by a fantastic block by Joe Racine and raced 75 yards down the sidelines to start the fireworks. From then on, it was all Enfield.

The Raiders then had a well deserved but controversial two week layoff. During that time, they scrimmaged with the eventual winner of the Suburban League and clobbered them, eight TD's to three, to prove that they truly did not belong in the C.D.C.

After the layoff, the Raiders played New London, but it was not Enfield's day. The Green wave suffered its first defeat of the season, 13-8. Fullback Glenn Provencher and middle guard Tom Joubert kept New London from penetrating repeatedly. A good team bounces back and that is what the Raiders did as they traveled to Dillon Stadium to play the Hartford Owls. After a scoreless first quarter, the team got rolling and could not be stopped as they scored 32 points to the Owls' 0.

The second home game of the season was against New Britain. The Raiders fought hard and never gave up, but New Britain was not to be denied as they won, 32-6. Weaver was next on the schedule. The Green and White scored in the first minutes and held Weaver until the end of the first half. After an Enfield punt, Weaver marched back to tie the score. Penalties then began to hurt the Raiders and conversely benefit the Beavers as the final score was 22-8. In the final game, the Green wave took out all of their animosities carried over from the last two games. With Nick Rago and Charlie Fuller blocking, the Raiders humiliated the Bulkeley Bulldogs, 42-0.

The Raiders finished the season with a very good 5-3 record for third place in the toughest league in New England.

Cheerleaders

Through endless hours of practice and various stages of laryngitis, the 1970 Varsity Cheerleading Squad supported the green and white with several new songs and cheers, sparking a fiery enthusiasm on the gridiron, soccer field, and basketball courts. This proved that these girls were behind the men, behind the ball, "all the way."

In addition to their cheering duties, this year's squad worked with as much perseverance and desire as the teams they cheered for, by selling Booster Badges before football games to supply the squad with necessary funds for posters, bulletin boards and basketball hoops, all which helped to kindle an aura of school spirit.

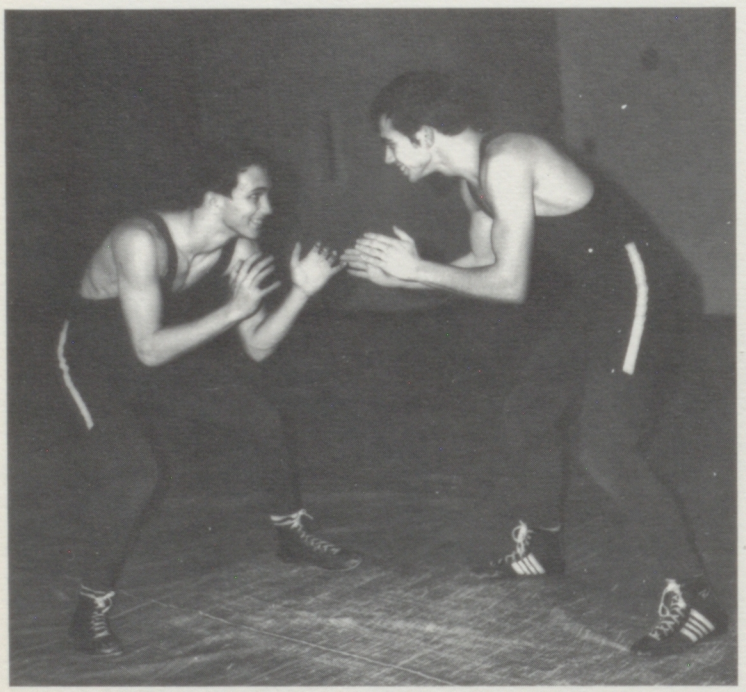
Wrestling Team



Co-Captains Bob Paquette and Tom Hayden pair off.

Led by coach William Teed and assisted by Bruce Bullock, the Enfield Wrestling Team grappled with some of the toughest teams in the area. Enfield's win over Weaver High School, the school which previous Raider teams have failed to defeat, shows that the Big Green Wrestlers are not soft.

Possibly the greatest hinderance to the team was the lack of wrestlers to fill the twelve weight classes. More than once, the team had to forfeit up to twenty points. However, the coaches were pleased with individual efforts of the team. Record-wise, the best of the seniors was Tim Scussel with a record of 4-4-1 in his fourth year. Co-Captain Tom Hayden showed outstanding skill, worthy of his co-captain status.

Departing seniors are: Tim Scussel, Martin St. John, Jim Unterreiner, Co-Captains Tom Hayden and Bob Paquette, and manager John Reese.

Enfield High School Basketball Team

Enfield High's Basketball Team bravely dribbled into the CDC League this year. The hoopsters challenged their foes fearlessly as we played some of the best teams in the state. The team claimed victory over Bulkeley, East Hartford, and Windsor. Enfield was victorious twice in independent games with Agawam, one of the top teams in the Valley Wheel League. The boys always fought hard, as several of the close scores proved.

Dave LaRussa added spark and points to the game with their performance. Rick was floor general for the team, while "Rudi" was an all-around hustler. A transfer student from Vermont, Ron Hay proved a welcome asset to the Raider's scoring, with an average of seventeen points per game.

The Raiders spirit and competitiveness won them everyone's admiration. They never lost their determination and in our eyes, they will always be a winning team.

Majorettes

Half-time shows at our football games were performed by the band and majorettes. Twirling their silver batons to the music of the band, these girls added greatly to the enjoyable and interesting performances.

Often down on the practice fields after school, the Majorettes worked hard to perfect their formations and routines. Mrs. Ida Bryant, their advisor, kept the girls performing well, even in the ankle-deep mud.

Spectators who watched the half-time activities were aware of the results of the girls' dedication and practice.

Junior year saw the Class of 1970 busy and happy. Establishing ourselves as the most school-spirited class was not hard, and our constant enthusiasm in all activities was not to be surpassed.

The wise choice of a hard-working class government helped us attain our goals for the year, and President Kirk Smallidge, Vice-President Nick Rago, Treasurer Diane Courchaine, and Secretary Marie Stuart proved themselves worthy of their offices. Mary Mullen, vice-president of Student Council; Bob Casinghino; Fran Crowley, secretary of Student Council; Jack Davis; Debbie Clark; Michael Young; Mary Falbo, treasurer of Student Council; and Tom Schadlich did a fine job as class representatives.

Mary Mullen served as general chairman, and Rick Dressler and Barb Uricchio made a charming host and hostess.

"This Magic Moment"

In the springtime, when a young man's fancy turn to thoughts of love, young girl's fancies were slowly turning to thoughts of proms. Hence, our Junior Prom was held on the evening of April 18, 1969, beneath the lofty branches of an enchanted forest. Greeted at the forest's edge by Host and Hostess, Rick Dressler and Barbara Uricchio, couples crossed a magic bridge into the make-believe world of gingerbread houses and enchanted castles. There we danced until twelve under the spell of Nick Giangrasso's combo and wondered, "Where had the time gone?" Now we are only left with the bittersweet memories of one's first prom. If only "This Magic Moment" could be captured once again.

Taking a break . . .

Sharing a quiet moment . . .

Throw a penny and make a wish.

One more time . . .

The Grand March is on!

Shall we dance?

"Silver Bells"

A frosty night and a friendly warmth played host and hostess to Silver Bells, our Senior Prom. The coldness could not freeze our spirits as we came alive inside the room of crimson and white, midnight blue and silver. From seven to one we danced, we dined, we laughed, and we sang. Under the spell of Silver Bells we shared a time of closeness, a time of togetherness, a time of friendship.

Next course, please!

One, two, cha-cha-cha!

Pass the salt, please!

Do we really have to dance again?

Stick 'em up!

Look, Barb, look!

Student Council

Student Council has always played an important role in the governing of our school. Through the efforts of the Student Council Representatives, this year, many important achievements have been made. First, the council liberalized the dress code allowing girls and boys respectively to wear slacks and jeans. Parking privileges in the upper parking lot were reinstated to seniors and other eligible students. A clean-up committee, aimed at promoting a better attitude toward cleanliness in our school, was also set up by student council. Its purpose was to strategically locate trash cans around the school with hopes of beautifying Enfield High School. Student Councils successfulness this year is indebted to the positive attitude displayed by the senior representatives in regard to school improvements.

Weekly meetings provide the opportunity to discuss future plans.

Most of the inactive members of the FBLA participate in the Work-Experience Program. Advisors for the activity include: Mr. Paul Bisesti, Miss Henrietta Coulombe, and Miss Sandra Blanchette.

Future Teachers Club

Two students walk to the elementary school to practice teach.

With the continuing shortage of qualified teachers in the United States today, the Future Teachers Club plays an important role in preserving the high standards of the teaching profession. The club seeks to enable its members to explore and secure information on the various career opportunities related to education.

To achieve these goals, various activities and programs have been set up. For example, members interested in elementary school teaching can obtain first hand experience in the student teaching program set up in conjunction with the Enfield Street School. Club members participate in a tutoring program organized this year on the high school level.

Field trips to area colleges and schools of special education, guest speakers, and films on teaching provide members with a realistic view of teaching.

Future Nurses' Club

Although it has a small membership, the Future Nurses Club is an active and vital organization in Enfield High School. The Club brings together girls interested in nursing and health, and enables them to explore opportunities and requirements in the different fields of medicine. Working together and helping people in the community enables members to obtain a clear idea of the responsibilities of being a nurse.

Some of the activities of the Future Nurses Club include visiting regional hospitals, entertaining guest speakers from different nursing schools, and sponsoring the Annual Thanksgiving Basket for needy families in the community. The Future Nurses Club also offers a scholarship to a deserving senior club member at the end of each school year. Through the profits of such a worthy capitalistic venture as selling candy bars, the Future Nurses Club hopes to make available a $100 scholarship this year.

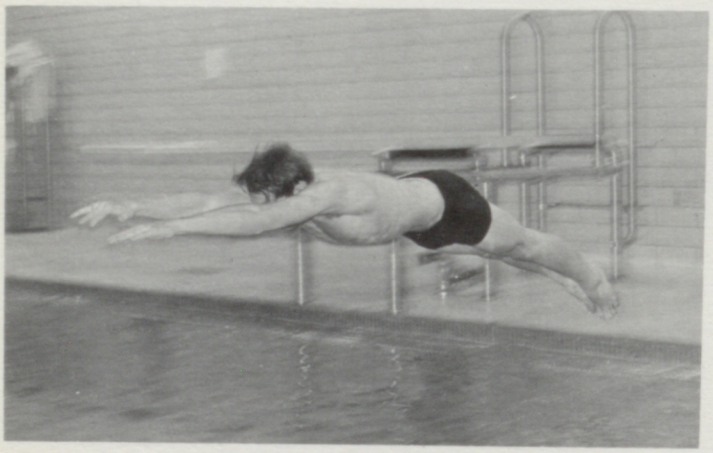
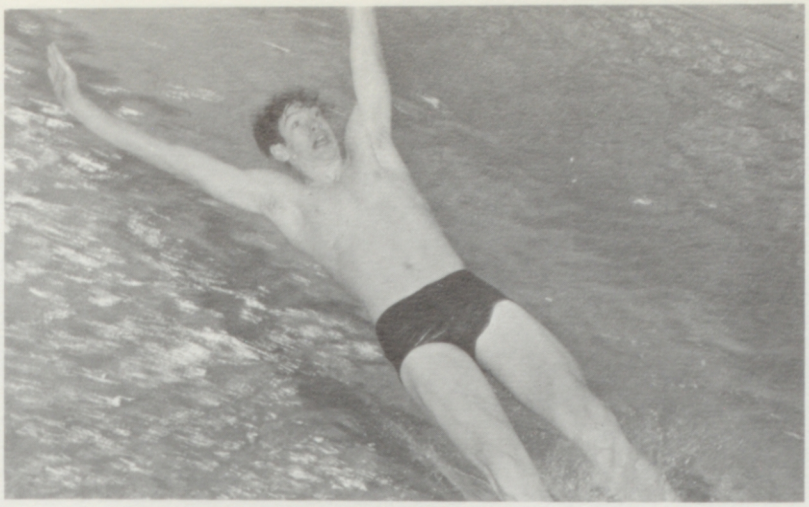
Swimming Club



"On your mark. Get set. Go!"

This year the Enfield High School Swimming Club became a reality, with the opening of the John F. Kennedy Junior High and the first indoor pool. Our club competed in two meets this year. The boys lost to Hartford 52-19 and finished eighth with 4 points in the Hartford Invitational Championships. The group performed well for a club that had only practiced one month. Enfield High should be a strong contender in league competition in years to come. Coach Lengyl was assisted by Guidance counselor Stanley zuZel. The team's senior members are: Co-Captains Rich Bloomstrum and Glenn Larson. Another senior, diver Ralph Taylor really got us into the swim of things with a splash.



"And away we go!"

Band

The Band is not only an important part of the curriculum, but also a standing pride to Enfield High. This year, under the direction of Mr. John Mariano, the band added spirit and entertainment at football and basketball games, as well as providing music for concerts and plays.

The Band is always ready to enthusiastically play the school "Fight Song" and other contemporary favorites such as "Fever," "Spinning Wheel," and "Mission Impossible Theme."

Enfield is not the only place that confirms the fact that our band is great. Of the 55 band members, four were chosen to represent All-State. These talented four were: Margaret Kelly, Phylis Ainsworth, Scott Friend, and Jeff Morgan.

The Glee Club

Sounding their melodious vocal chords throughout the school year was the ever tuneful Glee Club. Under the direction of Mr. Joseph Giangrasso, these talented students performed at our assemblies and also gave two concerts, one at Christmas and one in the spring. Through their many hours of vocal practice, they truly added a cheerful note to the school's atmosphere.

Contact *Future*

Contact, the voice of the Social Studies Laboratory, is a journal designed to stimulate students and teachers. Each issue contains several articles centered around a specific theme. Sketches and cartoons are printed to add variety to the publication.

This bi-monthly publication is distributed to the faculty and students of Enfield High School and is mailed to interested educators throughout the United States and Canada.

Future, unlike Contact, is an annual publication of the Social Studies Laboratory. The magazine includes a collection of outstanding research papers written by a staff of willing students. After choosing individual topics, each contributor submits a scholarly paper. Poetry pertinent to major world problems and situations is also included in the magazine.

Jan Gudinkas, Irene Grischuk, and Denise Godin discuss plans for Contact.

Ticker

This year Ticker has been transformed from a publication merely concerned with school affairs to one which has explored topics of national interest. By turning to controversial issues such as marijuana, sex education, the Vietnam Moratorium and capital punishment, Ticker has gained interest and reaction from the student body.

Ticker has become involved in state politics by interviewing Representatives Thomas Meskill and Joseph Duffey. As well as printing articles of public concern, Ticker has accurately reported on sports, student council, clubs, class activities, and other school functions. To add to the wide variety of subjects, Ticker has included regular columns such as Fashion Flair, Baby's Hall of Fame, and Echoes of Youth.

Yearbook Staff

In attempting to portray our high school years in a permanent record, the yearbook staff has devoted many hours to the task of compiling the 1970 Echo. More than 20 students unselfishly gave up their study halls and extra time to work on this traditional project. Cropping pictures, making picture appointments, writing, copyreading, and laying out pages are only a few of the many jobs involved. Echo strives not only to bring to mind the many faces of the class of '70, but also the many memories.

Donna Dickinson, assistant editor; Chris Luddy, editor-in-chief; and Joyce Laughlan, assistant editor, busily count up the profits.

Drama Guild

Advisor Mr. Gross

Think big, work hard and have a dream. This is the motto of the Lamplighters Guild, a group which has established a dazzling tradition as a pride of Enfield. Through long hours of hard work, patience and much perseverence, this group has managed to turn out a first rate production every time.

This year's selection is the immortal "West Side Story" and promises to outdo all past performances. Portraying major characters are Mike Young, Jeanne Farley, Nick Severrino, Toni Burrington, Paul Zocco, Bob Casinghino, Nancy Skirvan, Mark Paulhus and Wendy DeRoisers.

We at Enfield will always appreciate the zeal and pride that unselfishly went into these plays. It was not the plays or the props that made all productions great, but the students themselves.

Library Aides

Library Aides belong to a service organization whose goal is to promote the effective use of the library and its printed audio-visual resources.

In addition to the satisfaction derived from helping fellow students, library aides acquire a specialized knowledge of library materials which will help them in future education and vocational endeavors.

Ski Club

The Ski Club, advised by excellent skiers such as Mr. Robert Kramer and Mr. Richard Vincent and composed of those not so excellent, such as Art Mullen and Steve Muchmore, gave the ski club exciting and hair-raising memories. To calm them down on the longer trips to Jiminey Peak, Bromley, Killington, and Magic Mountain were the ever-cheerful snow bunnies.

Everyone turned skier when everything turned snow. Even frequent trips to the hospital, when someone overestimated their "Killy" talents, did not dampen the spirit to "master the mountain."

Many a brave senior, facing the dangers of being trampled to death by little sophomores, sat in the aisle of the bus and received a firsthand feeling of the bumpy roads.

After a long, hard day on the slopes, a "Big-Mac" was a good tonic for a hungry stomach and the Ski Club was ready to tackle another exciting trip.

Seniors Karen Szoka and Sue Moriarty enjoy a day on the slopes.

"I knew I should have brought my trusty ruler," said Mr. Blair breathlessly.

"If I only knew how to ski!"

INTERNATIONAL CLUB. *Left to right*: Arnie Diaz, Atillio Graniello, Donna Clement, Tina Matuck, Marge Matuck, Tom Schadlick, Margaret DuBois, and Arthur Cote.

International Club

The International Club, one of the most active clubs at Enfield High, stresses peace and unity among nations. The members pursue this idea through in-depth studies of foreign lands, customs and problems. For the first time, members of this club participated in a model U.N. session in Hartford, Connecticut, where they acted as delegates from different countries. The club also sponsored United Nations Week, International Day, and friendship through pen pals. Through these attempts, the individual members have realized their responsibilities as citizens in America.

Gay costumes help celebrate International Day.

Hey! Where did you learn to do that?

Enfield History Club

This year, a new club dedicated to preserving the history of our town, has been organized under the auspices of Mr. Frank Taylor and Mr. Robert Kozaczka. The members diligently record on slides "Our Vanishing Heritage." The club works in cooperation with the Social Studies Lab and the Eastman Kodak Company. "Our Vanishing Heritage" received international recognition and was selected to represent Kodak's project in a conference in Mexico this year.

The members take field trips to such places as, The Old Town Hall, Wallop School, The Old Shaker Farm, and other vanishing relics of our past. The present, too, plays an important role in emphasizing the changes that have occurred since Enfield's first citizens settled here.

We're still trying.

Student Freedom League

Started in the fall of 1968, the Student Freedom League has provided a valuable service to the students of Enfield High School. This youth oriented group was organized to provide an outlet for examination of topics not in the school curriculum.

During the first year, the Student Freedom League organized a drive to raise funds for the secessional country of Biafra. Speakers such as Andrew Melchinsky of the John Birch Society and Russel Johnson, New England Secretary of the American Friends Service Committee, were brought into school.

This year, Student Freedom League organized an Enfield Moratorium Day on October 15 and sponsored Dr. Frank Coffee of Hartford to speak on Sensitivity Training.

Students participated in the Moratorium held at the Town Hall.

Work Experience Program

Among vital responsibilities of a citizen, is that of earning a living for himself and family. The better an individual is prepared for his work, the greater satisfaction he will derive from his occupation. The role of vocational education is to provide job training and general education in order to turn out individuals who will be more efficient as workers and as members of society.

One plan which coordinates the training responsibilities of the school and community is known as Diversified Work Experience Program. The central purpose of this plan is to provide instruction and training to high school students with the objectives of increasing their civic and vocational intelligence, so that they will be better prepared to enter upon and continue in the incorporation of their choice. This cooperative training plan involves the school, the student-learner, and the training agency.

Students attend academic classes daily, and are released from school early to report to their training station for the on-the-job phase of their learning.

Students are paid by the employer in accordance with state and federal regulations. Upon completion of training, students receive credit toward graduation.
